# 16TH ANNUAL INTERNATIONAL SNOW SCULPTURE SYMPOSIUM

**Festival:** February 11-21, 2022  
**This Event:** February 11, 12, 13, 2022

**In a spirit of mutual support and cooperation**, teams of local, national and international artists will come together to create Edmonton's largest snow sculpture garden at the 16th Annual International Snow Sculpture Symposium. The symposium is one of the premier events of the Silver Skate Festival in picturesque William Hawrelak Park, the crown jewel of the City of Edmonton's River Valley Park System. The Silver Skate International Snow Sculpture Symposium has no official theme. The festival does not want to limit the creative possibilities of the teams of artists applying. It is amazing what can be created in this ephemeral medium and the chosen teams will reflect the dynamic and diverse possibilities of snow as a sculptural medium.

## Food and beverages

An opening reception for the festival will be held on Thursday, February 10, 2022 for artists, community members and dignitaries. A light lunch and dinner will be provided on Friday, Saturday, and Sunday. A warm up area with snacks will be provided during the entire festival. Food concessions are available on site

## Awards

Completed snow sculptures will be entered in voting for two awards: an Artists' Choice award, and a People's Choice award. Winners will be announced at 4:00pm on Sunday, February 13, 2022.
